“ It doesn't seem real that she is gone, cause it feels like she'll always be there sitting in that same pew at church waiting for me to walk in and take my place sitting next to her just in time for service to start. It feels like she will always be with me. Never thought my time with her would end so soon. I'll see you again someday Aunt Jenny. I miss you everyday. And still think about you all the time. But I'm off at Bible college now, and you'd be so proud of me, I know it. I miss you so much. Love you Aunt Jenny. And I love you Amy, Amanda, Amy, and Travis.

“ I am sorry for the loss! I havent seen Jenny for a long time- I knew her via the Closser family. My memories of her are that she was always so kind to me- and would always come by and visit at our house with my cousin. I remember when the girls were just little girls and when Megan was born! I wish her family peace during this time- and the knowledge of Jenny living in the purest peace anyone can know!
