“ I served with Jon as his team leader and squad leader. You were definitely a little brother to me and we'd always be there for each other through the ups and downs. We'd joke around, laugh, and I'd play pranks with you. It was always great talking about sci fi stuff with you and just nerding when we did , I will truly miss you brother, until Valhalla.

I am looking for Jon's mom Tricia . Jon was born 2 weeks after my son at Ft Campbell my name is Regina Liparoto it was Victor then . I have tried for years to find her . I'm so sad to hear of Jon passing . Can you help me locate his mom ! We were close at Ft Campbell . She was my birthing coach and full term with Jon . My son was born with a congenial heart defect and I was not able to be with her for Jon's birth .. both our husbands were deployed and in the same company . I think of them her and Jon and his brothers and sisters . I knew she got divorced and moved to Indiana., I lost touch with her . If you could help it would be appreciated ! I want to send her my condolences . I kept searching for Tricia Weik and John for years and nothing tonight I decided to try Jon and his obituary popped up .
