“ My dearest cousin Joy, just her name alone always brought joy to my heart. I have always admired her my whole life and looked up to her. She always called me her “little Sis”. She used to sing specials at church and had a beautiful voice so I begged her to sing at our wedding (49 yrs ago). She finally agreed and that has meant so much to me through the years. I will see that beautiful smile again some day! Love you too Tim, Joyce and Macy, so very much! May His favor be upon you!

“ Tim, I am so sorry for the loss of your mother! But like you said, we know that as she fell asleep down here, she woke up in Heaven. I have SO many memories of you, your Mom & your Dad as we were growing up. Both of your parents were such dear friends to our entire family, and you were always more like the big brother I never had! Whenever I think of your Mom, I remember her smile and her laugh. I always thought she was one of the most beautiful, elegant women I ever knew. I turned to your Dad whenever I needed a car, because I knew he would be honest and watch out for my best interest. They were both very special people, and I'm a better person for having had them in my life.
