“ It was my pleasure to get to know Judy over the years through Delta Kappa Gamma membership. She was to be admired for her energy, organizational skills, intelligence, varied talents and her caring ways. Hopefully, it will be comfort to know that she has left a strong legacy by sharing herself through her teaching and other activities.

“ Mrs. Sorrell was always one of my favorite teachers at Chrysler High. She helped encourage and nourish my interests in American History and general learning. I have always remembered challenges she faced in the class room and the graceful manner in which she went about her business. I have carried memories of her teaching with me for decades. She influenced my life in positive fashion. I am sorry to read of her death.
