“ Julie was one of my closest friends in Troy, from grade school through high school. She was absolutely brilliant and fearless. She spoke her mind (pretty sure she got that from her fabulous mother, Laura) and held fast to her convictions. She was also one of the most creative souls in Troy. When we co-wrote the Class of '71 history poem, it was Julie who came up with the most sensational and witty phrases. I so wish I hadn't lost touch. Julie, thank you for showing me what bravery really is ... it has taken me a lifetime to get the wisdom and courage you had 50 years ago.

To Tomas, Sharon and Tom -- she loved you dearly. I remember being at her wedding, so happy, and when Tomas was on the way, she found true love. I am sorry you will be without her. The Noffle clan is among one of the finest in all of Troy.

“ To Julie's family: Please accept my condolences on your dear one's passing. Julie was a classmate of mine in Troy. I always admired her open, easy-going nature. She was always a lot of fun. As a child I loved visiting her house. It was filled with energy, music, cats and a mom who was unlike others. I was saddened to read of Julie's passing. Although I have not seen her for many years, I hold many fond memories of the friendship we had. May your memories keep her close in your hearts.
