“ *A MOMENT AT DAYBREAK*
by *Mary Couch*

*A pale pink rosebud
trembles in summer's wind
shakes dew from its petals.*

*A monarch's tiny perch,
it welcomes the dawn's
wispy blush across a muted sky.*

*Caught by a gentle breeze,
butterfly floats from its perch
to be swallowed by morning light.*

*She too floats forth to greet the light.
We will meet her again around the bend.*
