“ Hello I was one of Karens North Campus students back in the late 70's to the the early 80's when she and the teachers showed us how much they really cared. Me and my two sisters were known as the Alford girls and our bestfriend was Dorothy Solomon .Where ever you saw one you can bet the other three were close too. Karen always had that beautiful smile whenever I saw her back then and even when I saw her as A grown woman. Because of her I am have been happily married for the past 26 years to A minister and A mother and A grandmother who has been volunteering in the community and living well. I saw Karen the day before she passed and was able to hear her voice and see her beautiful smile one last time and I am so thankful. She was an angel for me back then when I was A confused lonely kid and she will always be in my eyes now for showing me that I was worth something in this life. I am so sorry for your family's loss. Thank you. Mary Ann (Alford) Heyward

“ I am sad to hear of Karen's passing. We first met when I student taught and Karen was a school psychologist. We made some fun memories in those days! Much later I returned to New Castle to care for my father and Karen hired me as an Itinerant Teacher for the Co-Op. I recall Karen as almost always smiling and a pleasure to work for and with! I will remember you all in prayer in the days ahead. I am truly sorry for your loss of a wonderful woman, mother, grandmother, and a friend to so many!

“ I have known Karen for many years. First as a student, later as an employee. She was a good principle and a better boss. I am sure New Castle will miss her a great deal.

“ Karen has been a life-long friend in Muncie starting at Burriss School, beginning with Kindergarden, going through High School and on to DePauw University. Karen served as our Burriss Class Secretary and was a pleasure with whom to work. Our families were very close, Karen was always smiling, happy, helpful, full of energy and so very kind and generous!

Karen loved her family, was so attentive to her Dad, Ron, in his many years being alone, following the early death of his wife , Helene, and Karen's precious and beautiful Mother.

It is my pleasure to have known Karen Peters Marcum for such a long time and I will very much miss seeing and hearing from her. I notified today via email our 60 Burriss High School Class of 1960 classmates about Karen going to be with her Lord and Savior. My sincere and heartfelt condolences go out this day to the many grieving family and friends who are celebrating the life and loving nature of Karen Peters Marcum.
