“ Friday mark's 6 year's that I have been without you and I still haven't gotten used to the pain. I haven't even made room for it yet. Negan killed Glenn and Abraham in the walking dead. I'm know you were looking forward to seeing it and I stopped by the cemetery and told you. Now Negan is a good guy in the show. He saved Judith in a snowstorm. I love his character. The last season of the walking dead starts soon.
I still love, miss and forgive you. For everything.

“ Sweetie, you've been gone for over two years now and I haven't even started to process the pain of your loss. Every morning I wake up and it feels like somebody kicked me in the stomach. The wind is knocked out of me. I miss you more than you will ever be able to imagine. Kitty Kat is fine and I still visit Little Gudgey's grave. Everyone who knew you misses you and mourns your passing. I'll see you when I get there. Please save me a seat right beside you.

Thanks for all the kind words in remembrance of a beautiful soul who I was blessed with the honor of being with, while she dwelt among us in human form. She truly was the best and most spectacularly special person I've ever had the pleasure of knowing.
