“ Sorry for your loss, Gene was a good man. I have known the family most of my life and I had to go be an auctioneer because I wanted to be as good as him. I gave up because I will never be that good, he was my hero. Praying for all of you.

“ Mom called and told me of Gene's passing. I am so sorry for your loss. He was one of the most fun, unique, real, good, really good, kind, compassionate, humorous, unique, superb human beings I had ever met. I saw him perform at the Mooreland Free Fair this past summer where he and his siblings put on quite a show. He told me of his recent woe's and it made me enjoy his humor and showmanship even that much more. I shall never forget that show because Gene showed the world how to put on a happy face no matter what adversity life throws at you. What a brave man he was. Prayers for the family and all who loved him who he has left behind. He was a honey if ever a honey there was.

“ *I have known Gene all my life and he was a great man to know. He will be sadly missed by all who knew him. We all know he is in a better place just so hard to understand why it happens this way but god has a plan and he got a wonderful person.
