“ *The last memory with Kevin I can't share in public but guarantee I will always smile and laugh out loud recalling his innocent conversation coming out from the back seat where Kev was sitting. Brett and Chip tried to keep from busting out laughing. This earth needs more caring people like Kevin. He made the world a better place.*

*I will Always Love and think of you Kevin ,forever. One day we'll all do another road-trip when our time comes.I'm sure by then you'll know all the cool areas to hang and the souls we need to meet. Till then rest easy Kev. Your battle is over and the pure joy of heaven has welcomed you. Fly On Bro. Fly On.*
