

Kim L. Cronk

September 1, 1955 - September 7, 2020

Kim L. Cronk, 65, of New Castle, passed away unexpectedly at home on the evening of Monday, September 7, 2020.

He was born on September 1, 1955 in New Castle, Indiana, a son of Jack and Barbara (Taylor) Cronk.

Kim was a proud 1974 graduate of Shenandoah High School and earned a Bachelor's Degree in Education from Ball State University in 1977. He began his law enforcement career as a Henry County Reserve Deputy in 1976 and graduated from the Indiana Law Enforcement Academy in 1978. He served the citizens of Henry County as an employee of the Henry County Sheriff's Department for 38 years holding various ranks including two terms as Sheriff. He was currently serving his third term as a Commissioner and had served six years as a County Councilman. He was a founder of Henry County's 911 Emergency Response System and the Henry County EMS. Kim was the creator of the Henry County Drug Task Force. He served as the Shenandoah School Board President for 8 years and for over 20 years served on the board of NineStar Connect.

Kim was passionate about Henry County economic development and was proud of working with other leaders in bringing new jobs to the community. He was instrumental in bringing Ivy Tech College, Gillman's Home Center, Boar's

Head, Mr. Fuel Truck Stop, Love's Truck Stop & McDonald's, Crown Corporation, Renovation of the W.G. Smith Building, Henry County Expo, and the new correctional/rehabilitation center to replace the current Henry County Jail.

Earlier in his life he was a 4-H member for 10 years. He was a dog lover and food lover - especially Anderson Cracker Barrel, The Early Bird and Stacks. He loved to travel especially to Orlando, Nashville, Las Vegas, Palm Springs, and Santa Barbara. He also loved singing especially in the car.

Always responsive to those in need, Kim did anything and everything for anyone. He was kind, big hearted, and looked for joy in everything.

Those left to cherish Kim's memory include his parents, Jack and Barbara Cronk of New Castle, two daughters, Lauren Cronk of Los Angeles, CA, and Leanna Cronk (fiance': Josh Lome) of Indianapolis; former wife, mom of his daughters, and life-time friend Nila Miller-Cronk of Lebanon, a brother Jay (wife: Kim Cronk) of New Castle, several nieces, nephews, and cousins and by his canine family, Bella, Charles, and Lexi.

“ *Driving to work one morning, 17 years ago on a cold icy winter day, I hit a stretch of ice on the curve on Sulphur Springs road. I was able to slow down but the car slipped right off the road into deep snow. My 4 year old son Zach was in the car seat in the back and thankfully no real damage was done. Kim answered the call that morning and stayed with us (letting Zach play with his lights and siren) while we were towed out. Kim is sadly missed.*

“ It is with deep sorrow which we find ourselves at this time. Kim's entire life was dedicated to public service. It will be a long time before we again see such measure of devotion and dedication to the service of the people of Henry County. The community is a much better place for having known him, and he them. I will miss our political arguments, which neither one of us ever won. So long old friend, and thanks for all the good memories.

“ I will miss Kim. He was a good friend not only to me but my entire family. I remember when my mom passed away and we were traveling North on St Rd 3 getting ready to turn on 100N to go to St Anne Cemetery, my son saw Kim standing at attention with his hand over his heart as if to say goodbye to my mom. My son later made the comment, "it was so nice to see Kim take time from his busy schedule to see my grandma to her final resting place. " That's the kind of person he was. Thanks for everything you did for your fellow county employees.

I met Mr. Cronk 20 some years ago when I became a school bus driver at Shenandoah School Corp. and Mr. Cronk was on the school board. After 2 years driving I felt I wanted to ask for a raise but did not know how to go about doing that - not knowing what amount to ask for. I asked the school board members and the main supervision to please ride my bus with and evaluate my position. Mr. Cronk was the ONLY person that volunteer to do that. He rode the ride and went to the school board and recommended a raise. I was and always will be grateful to him for taking his time and letting me know that he thought my job was important. Mr. Cronk was a great man and I will never forget all of the times he listened when I called him and needed "direction" - he always took the time to help. Mr. Cronk I will always remember you and your kindness. Rest in peace. You will be missed. Thank you.

“ *He was always kind, considerate, and caring with me. There was a time when I was a teenager and I needed him to search out justice for me. He did what he could to protect me. He reassured me, made certain I was not afraid, and even went outside of the county to secure help with what I was going through. It was a horrible time-period in my life and Kim was a warrior for me. He gave my dad the best advice he could, and talked him off the ledge. There are people walking this earth today because Kim assuaged my father's furor.*

I am so saddened by current events and pray for the comfort of his family.

He would stop in the office and talk about things and ask if we had anything going on that we needed help with. He often mentioned his daughters or his parents. He will be sadly missed. My mom had just a few days to live and his help getting her to Ball Memorial to be evaluated for Hospice for home care.
