“ *Larry, You were "One of a kind" but that is why I loved you. I remember in Apollo Beach sitting at the table drinking cup after cup of coffee with you. Carol was a busy bee in the distance. I cannot tell you all the things we talked about but you 'd say we were sitting shootin' the breeze. I miss those times. I want you to know that you will forever be in my heart and you will never be forgotten. Like I would say when I would call...It is your sister in law in Florida when you would ask "Who is this".... This sister in law will never forget you! Ride the wind young man. Love Debi, Suzanne & the boys.*

“ I called Larry - "Grandpa Larry" for many years. He worked with me and others in the ICAP Head Start classroom where I was a teacher. I have so many great stories about Larry during the years we worked together. He was a wonderful storyteller, a great listener, a tremendous help in the classroom, a kind heart to our little ones, I am so thankful that I got to know him and will miss him dearly. Prayers, thoughts to his family and friends. May the Lord help you through this time and beyond.

“ When Grandma was still living every Mothers Day he would get her a big white orchid corsage to wear to church. I don't remember him missing a year. He had this mean looking white Oldsmobile 88 all souped up and he let a friend of his borrow it one night and he wrecked it. Completely totaled it. I don't remember Larry get all bent out of shape. He just said ole well time for another one.
Larry was onery but he had a heart of gold.. Will miss him.
