*Thank you for allowing us to share in Zeno's honor and celebration of his life, what an amazing man and he will be dearly missed. We love you Zeno. A poem in Zeno's honor as he would have it:*

*“Weep not for me though I am gone  
Into that gentle night  
Grieve if you will, but not for long  
Upon my soul's sweet flight  
I am at peace, my soul's at rest  
There is no need for tears.  
For with your love I was so blessed  
For all those many years.  
There is no pain, I suffer not,  
The fear now all is gone.  
Put now these things out of your thoughts  
In your memory I live on.  
Remember not my fight for breath  
Remember not the strife  
Please do not dwell upon my death,  
But celebrate my life” - Unknown*

“ Zeno, a prayer for you as we remember your legacy:

*Most gracious God, we bring to you our burdens and weight that falls upon our shoulders and ask that you place your comforting hand and provide strength to all of the family and friends of Zeno in this difficult time.*

*We pray to you, O God.*

*Comfort them with the knowledge that you were with Zeno every step of his life, his final moments here on earth, and that he shall forever rest in your glorious kingdom with all the friends and family that have gone before him, laughing, smiling, and without pain. May we find peace in knowing that he will always be with us. We will forever cherish and carry Zeno in our hearts for as long as we shall be separated from him here on earth, and all the while, we know he will be watching over us and awaiting our arrival to where we will one day be reunited.*

*We pray to you.*

*Sustain them with your limitless love when feelings of self-doubt, guilt, anger, or blame threaten to overcome them.*

*We pray to you.*

*Hold them close to your heart in their dark night of endless questions and endless tears.*

*We pray to you.*

*Zeno, your beloved child, created in your glorious image.*

*Guide us in the midst of our grief and surround all who came to know and love Zeno today and always. We know that beyond any shadow of doubt, Zeno is continuing to spread his contagious personality beyond your pearly gates he so entered, sharing his laugh, his love, his character, his stories, and jamming to his favorite rock n roll songs while resting in your glorious kingdom. Perhaps he's even riding through the clouds on a heavenly motorcycle that*

*sparkles and sounds like nothing we have ever heard or dreamt of. Or maybe it's a Jeep, we know how he loved his toys and how they made him smile! We can only imagine but what we do know God, he is happy, healthy, and laughing and for that we thank you!*

*You know the situations and circumstances of all our lives, at all times, and you always provide to us the guidance and empowerment to bear the unbearable. We are so thankful that we can stand on your promises and for what you gave to us is eternal life and in your holy presence. We know that nothing can ever separate us from your love. No one or nothing we face can snatch us out of your mighty hands. Blessed Lord, we ask you with all we have to be with the Root family in this most difficult time so to comfort, strengthen, and provide encouragement. Let us be reminded that our love for him and his love for You Lord, shall not be mistaken or overshadowed by our pain now Lord; for we are thankful for the man you created, the man you gave to us, and all the memories we shall forever cherish.*

*We thank you for giving us such an amazing man that always exerted such positivity to those around him and simply just made others feel good, whether he did or not. Zeno always put others ahead of himself and a certain energy flowed from him that will forever leave a mark on any and all who came to know and love him.*

*Blessed Lord, there is no doubt that Zeno will be missed each and every day and that he has left a feeling of emptiness in our hearts. But...Blessed Lord, let us all be reminded and find peace in knowing that it is your gift that you gave to all of us for which we shall find comfort in knowing that our feeling of emptiness is only that of temporariness. A temporary feeling, thought, absence of physical presence that will one day be washed. Because we WILL meet again.*

*We'll be seeing you again Zeno, you can absolutely count on that.*

*We thank you for your precious gift of salvation which came through the precious blood of the lamb of God at supreme cost. Our atonement was made possible by Him and has made us one with You. We ask these things in the power, majesty, glorious, and most holy name of our Savior, King, Master, and Lord, Jesus Christ.  
Amen*

“With deepest sympathy to all of the family and friends who so dearly loved Zeno as we remember the legacy and mark he has left on all of us. While I had the pleasure to come to know Zeno through work, he and I quickly became friends. His contagious personality and huge heart that he would share with even a stranger, made him a special, one of a kind gentlemen that one could not help but to gravitate towards. Zeno yearned to ensure that everyone that was around him in any given moment was genuinely happy because he cared...I know this because he would sincerely ask, “is everything okay?”... “is there anything that I can do for you?”. Zeno was passionate about his work and in the construction industry in which he worked, his character traits and the passion he exerted to ensure he gave it his all and that the customer was truly happy, is a rare breed. If anyone wanted something done, Zeno was the guy to get it done. He would not stop until he knew the customer was happy. The way he cared about others and how he affected others is one of the many marks that he has certainly left on me and so many others that we’ll strive to mimic and carry forward “The Zeno Way”! Zeno’s smile, his laugh, his caring heart, and personality will never be forgotten and we shall look forward to the day in which we meet again. My heart goes out to all of Zeno’s family and friends; may you carry Zeno with you for as long as you shall be apart hear on earth and until the day comes where your presence together is in the presence of our Lord and Savior resting high in his glorious Kingdom.

*Zeno, we love you and you will be forever missed.*

*Love,*

*Josh Henson and your Balfour Beatty family.*

“ *Zeno was family to myself, daughter, and fiance, Aaron Taylor. Our hearts are broken with this great loss in our lives. He would come down for a few days to visit us in Florida whenever he got a chance, and always came with gifts. So well mannered, but always ready for fun filled days. He touched my heart from the day I met him and will always have a place there. Gone too soon.*
