“ I’m so very sorry to hear of Marc’s passing. He was always a great friend to A.J. and I growing up in the neighborhood. So many great memories of riding bikes, camping in the backyard, building bike ramps, hanging out at his house, going to the mall & movies and riding to school in his orange Mustang. He always took A.j. and I under his wing like a couple of (probably annoying) little brothers! I’ll miss his great smile and amazing laugh. I’ll see if I can find some old photos to send. Love and prayers to the family. I will miss him!
