“ It’s amazing to have a great grandmother who lived to be 101 years old. You were an amazing women who raised my beautiful grandmother to be the loving caring women she is today. I never got to spend too much time with you because we lived sooo far apart but the very few memories I do have of you I cherish them. And the couple pictures I have with you from when you came to California to visit us I will always hold dear to my heart. I wish we would have got to talk more. I wish I would have got to hear all your awesome stories and secrets to living a long meaningful life. You will be loved and missed forever. Say hi to grandpa and billy for me. Love you.

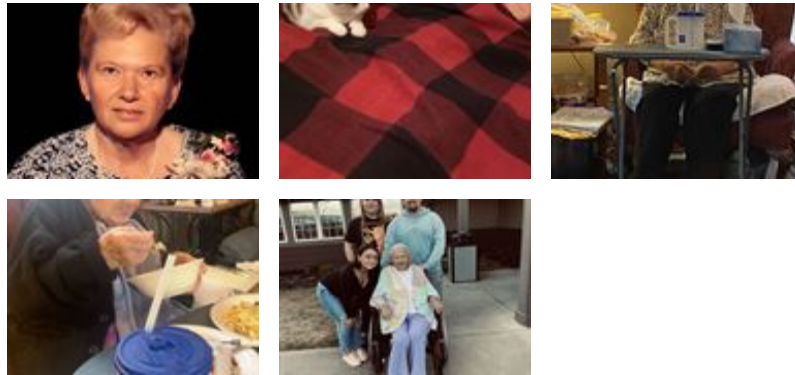

Love, Brittany, Axl, Kathy
