“ There are so many things we could say about Christine! She was one of a kind, very caring and loving. She loved her family and showed it everyday. I remember getting to go to several of her birthday parties and man she sure had some good parties (Elvis and great food) we loved being around her. My mother in law Gladys was very fond of Christine and her husband Tobe. Sending our sympathy and prayers to you all and may God comfort you all in this sad time. Shirley, you was an awesome daughter caring for your mom like you did and when you were working, you made sure she was taken care of. (I still have the purse she gave me along wit the hand sanitizer that was attached to it) she will never be forgotten. We loved that lady!!!!

“ We are so very sorry about Christine's passing. She and my mom, Mildred, shared many days and evenings sitting on the porch on Bundy Avenue chatting. It was so wonderful that my mom had Christine there to talk with since she was in New Castle taking care of her folks, Philip and Mainie. Christine and my mom became pals. Love and prayers to you, Shirley, and the rest of your family during this time of grieving.
