“ So many memories of me coming home to INDIANA and Marla picking me up to go get a coke & just drive around to talk. I will miss her around reunion time to catch up. She was so good to me when dealing with my parents & taking me to the airport. She & Jim were such a precious couple in helping my Dad plow his garden from time to time. I will count it an honor to have made it on her Senior skirt. I love you Marla! To Heath & Carrie & family, prayers of comfort to you all for this great loss. Kay Staton Conn

“ *Marla and I didn't always agree, but we also had a lot in common. She gave me a lot of encouragement during a very difficult time in my life. When I would run across her in town, usually at Walmart, I would always get a hug. I will miss her! I'm so sorry for your loss, Carrie and Heath.*

“ Marla was my older sisters friend and of course my sister didn't want me around. One day as I was walking home from school Marla stopped and said let's go get a coke and of course I went. We had a good time in her Corvair. She was so nice to me. I will always remember her.
