“ Dear sweet Aunt Mary Lou. I know you are in heaven and in a better place, but this world is not as bright without your presents. I will always remember when you told me what fun it was to eat your plate of food at the family reunion. Saying since you could not see the food everything was a pleasant surprise. Rest in peace.

“ Aunt Mary Lou has a very special place in my heart. I'm sure she is right by Uncle Claude's side spreading love with all the other angels. I have such fond memories of her and Uncle Claude. They were both wonderful people and always did such sweet activities with us as small children. All of the family will be in my thoughts and prayers during this most difficult time. Sabrina L. Hampton (daughter of Lloyd and Nowana Flannery)
