“ As graduates of the same high school we attended Ball State University together and both were in the business school together. We became closer friends from seemingly daily battles over a ping pong table. You would need your best stuff to beat him occasionally. My heart goes out to his wonderful family as they move forward with fond memories

“ Memories...so many memories! First meeting him, Jacque, and the boys when I was dating then engaged to their nephew, they treated me like family from the start. All the family gatherings and watching Uncle Mike play with the kids, his big smile and big personality in a “small” package, his hugs!! I loved him. He was the best Uncle! Praying for Aunt Jacque, Christopher, Nathaniel, Jodi, the grandkids, and all of the rest of the family!
