“ We were so sorry to hear about Michael's passing. I will always remember when he used to spend the night at our house as kids (my brother is John Dickenson) and he would tell us bedtime stories and make us laugh so much. I am thankful for the years I was back in touch with Michael and your family at Cross Roads church. I will always remember his curly hair and smiling face.

“ Michael; From the moment you came to church years ago you had my heart. You and my son being the same age, felt as if you were my son. You prayed for him so many times. You came back from Michigan with such fire and I could see JESUS thru your eyes and on your face. You would get up there and sing the song: "It makes me want to shout, hallelujah thank you JESUS, LORD your worthy of all of the honor and all of the praise" since then everytime I heard the song, it has been and always will be Michael's song. You were so full of love and compassion. I saw you lay hands and pray for so many of the teens. you had a smile that could light up a room. you always had a hug for everyone. Thank you Michael for sacrificing the years out of your life to fight for our freedom. I am sure you have an awesome mansion up in Heaven. We love you Michael and when ever it is my turn to go to Heaven you will be there with that big smile, and the big hug. Your family and friends will miss you so much. You were blessed to have Mike and Doris as parents, that raised you up to me the awesome young man you are. There are not words to express to them in a time as this; but our prayers are with them and your family always.
