“ Shell,  
*I will never forget how much you loved your son and had to make sure that he got the last of everything even before you. We all will miss you terribly. I am glad you are safe now and at peace.*

“ *To my best friend, I will always remember how you would give that little sly grin being sarcastic but trying not to hurt anyone's feelings. You have only been away for a short time and it feels like forever. I miss my ying to my yang my sister of my heart. Rest now and don't fret no more I will see you either in the am or in the evening it will only be a blink and I will be by your side again.*  
*Love you Shell*
