“ Misti was a special person. She loved to help those in need, especially children. She was very intelligent, making great grades in both high school and college and she rarely opened a book. She faced many challenges in her life and did so head on and learned all she could about the subject. She became a strong Christian and the pastor and congregation of the Friends Meeting became a strong support system for her. She will be missed by anyone who knew her and has given us unforgettable memories.

“ *Misti was a one of a kind beautiful lady. I will always treasure our memories of fishing, cooking out, bon fires and our girl talks. She had the greenest thumb of anyone I've ever known. She lit up like a Christmas tree when talking about her grandbaby, she loved him dearly but she treasured Kisten and Joey too. I hope as soon as she got to Heaven Dakota was there to greet her!. Soar high Misti, you will be missed. Love ya girl!*
