

Mitchell Cary

January 4, 1966 - July 6, 2023

Mitchell Cary, 57, of New Castle, passed away unexpectedly at his home on Thursday, July 6, 2023.

He was born on January 4, 1966, in New Castle, Indiana, a son of Freddy C. and Bonnie (Cook) Cary.

Mitch was in the New Castle Chrysler High School Class of 1983 and later graduated from Amber's Beauty School in Muncie. He was a licensed hairdresser for over 35 years. For most of those years, he owned and operated Mitch's Hair Design in New Castle. Mitch truly loved people and visiting with them. He would go the extra mile for his clients, who were really his friends, and would do anything for them, often going to their homes to do their hair when they could no longer get out. Mitch loved art, architecture, and design. He had a very creative eye and was an excellent artist. He loved raising flowers, going antiquing, and attending concerts. Mitch will be sadly missed by his clients, friends, and family.

Those left to cherish Mitch's memory include his loving mother, Bonnie Cary (Bennie Rains); a sister, Mikki (Aaron) Smith; a brother, Michael (Allison) Cary, all of New Castle; an aunt, Lonell Cook of Louisville, KY; two uncles, Willie (Diane) Cary Jr., of Greensburg, KY, and Bobby (Pam) Cary of Burkesville, KY; many cousins, including Jamie Cross of Muncie, and his nephews and

nieces, of whom he was very proud, Skyler Ford, Isaac Smith, Kaitlynn Cary, and Rheanne Cary. Mitch is also survived by his very best friend since their teenage years, Kent Nicholas, of Nashville, TN.

He was preceded in death by his father, Freddy C. Cary, and his maternal and paternal grandparents.

Funeral services will be held at 3:00 pm Thursday, July 13, 2023, at Sproles Family Funeral Home with Pastor Jerry Ingalls officiating. Cremation will follow per Mitch's request.

Friends may call from 1:00 pm until the time of the service Thursday at the funeral home.

You may offer the family a personal condolence at www.sprolesfamilycares.com.

The Sproles family and staff are honored to serve the family of Mitchell Cary.

“ Bonnie, I am so sorry to hear about Mitchell and my heart aches for you and his siblings! We go way back to when he was a little boy probably around 11 or 12 and he would ride his bicycle uptown and stop in to visit at Beall's clothing store. I would ask him if he parked his bike away from the door and I would get a yes mam! He was the sweetest little guy. When he would leave I would always get the best hugs and I would tell him be careful! This was a daily tradition especially in the summer! I would run into him from time to time (mostly Kroger) and we would catch up and then be on our way. (after a hearty hug) Mitchell you will be missed my friend 🥺

“ I met Mitch when I was 5 years old, and we immediately became friends, and were friends all our lives. We went to Beauty School together, and I always looked forward to visiting him every time I came back to New Castle. We had such a great time talking about the good old days, and we always ended our conversations or texts with "I love you." We had that very special bond, and I can't believe a piece of me is gone. He will live on our hearts and spirits. I'm so glad he came to see me in Florida in 2018, and we had a laugh a minute the whole trip. He loved life and laughing, and made so many people feel good about themselves. I can't imagine how tremendous this loss is for his family. He was such a good soul, I can't believe he's gone. “ My condolences to the family. Mitch was a great person inside and out and will be very missed. I always enjoyed running into him and chatting. I had some classes with him in middle school and we would talk. He always had a huge smile and a hello. Years later I ran into him and it was like no time had past. He still stopped to talk and ask how I was. He definitely was one of a kind!! Prayers

“ I was very lucky to meet Mitch a few years back, as he became a neighbor 2 doors down! He sure made the neighborhood light up with his flowers and plants. He was one of the sweetest guys I've ever crossed paths with. I was very blessed to have met him. I send my condolences and strength to all his loved ones!

“ Mitch, you were much more than just the guy who cut my hair. Over the 20-some years of routinely seeing you and telling you, "just cut it however it will look good," you never let me down. You always chuckled when I teased you about the great dye job you did, as I continued to get more and more gray each time. And, oh, man ... the stories we shared, the sense of humor you had, the laughter that you would bust out ... It will be impossible to forget you. You were a rare find: We trusted each other so much that we could even talk about politics and religion (!!) and despite an occasional difference of opinion, we always respected the other's point of view. I'm glad that you knew I loved you and I will certainly miss our hugs as we went our separate ways. I can't believe you're gone ... just when I needed your next "color job" on my hair! (haha) I pray I will see you again. Rest in peace, Mitch, rest in peace, my friend.

“ Mitch felt like family! He loved my two kids and always was eager to know about their whereabouts....one funny story was going to Avon for that “special updo” for a high school dance - and Katy hated it - Mitch got it done in one swoop and was so happy to do it. He saved the day! He was always gracious and humble and fun! RIP our friend...
