“ I met Norma when I first came to New Castle and worked at HCMH. She was a great nurse! I got to see her earlier this year and I'm glad I did and we got to talk a bit about 'the old days!' She was always good to work with and always willing and able to help. I really enjoyed getting to know and work with Norma! You are missed.

“ *Susan, I am so sorry to learn of Norma’s passing. I first met Norma while working together at Henry Co Hospital along with her son Jeff in X-Ray. I had lots of conversations with Norma and she always wanted to talk about Jeff and how much she missed him, I believe apart of her heart was taken when she lost him and she just gave up. She really appreciated you and all of your love and support that you gave her and talked highly of you. Please know that you and your mom are in my thoughts and prayers.*
