“ My heart is so full with receiving this news. We always had fun times with Aunt Ouida, always special times making great memories when she was around to hang out with! Many great funny memories made and interesting conversations with her! The relationship between she and daddy and mom was so special to all of them and it was very obvious anytime they were together. Although we didn't get together often in later years, when we did it was always so special and memorable! Robin, we love all of you so much and are here. I prayer that our Heavenly Father with wrap His loving arms around you with comfort that only He can provide at this most difficult time. Hugs my sweet cousin!
