“ Pam was a close cousin to me and growing up I always called her “Aunt Pam.” I have so many sweet and fun memories of Pam. Scott and Pam took me to my first concert (Brooks & Dunn), that was a fun memory. I went with Pam and my Grandma several times to the State Fair, we always had a fun time. Another thing Pam always enjoyed was going to the fall festivals, it was always a challenge trying to get everything in the trunk to bring home, we would just laugh and laugh. Another fun memory I will never forget as a kid was a girls trip to Sea World. I have so many wonderful blessed memories of Pam that I will cherish. I know she always loved Christmas time and we always enjoyed Christmas Eve at her Mom and my Grandma house. I know one thing Pam made sure of was to always call and check in with family. Pam always adore my girls Riley and Kendall, she always made sure she spoiled them on there Birthday and Christmas. There are so many more memories I can share of Pam, I do know that I will cherish all the moments I’ve had with her. I will miss you and I love you. ~ Amy , Joe, Riley & Kendall
