“ *My sister Theresa Ealy was a very loving Aunt to Paul. I remember when we would come down from Mich. to work the concession stand that Paul would come around and hang with us. I met Paul when he was very young at his grandmother's house years ago. He was a pleasure to be around! So sorry to hear of this loss. My heart goes out to the Ealy family and my prayers are with you all.!*

“ One of my fondest memories with Paul is watching, well actually I was bugging him (because i was younger) and his friends while they played video games in the basement. He would notice that my feelings were hurt and when his friends left we would play the games together. Also, we would always ride bikes around the neighborhood to where ever he would take me. I love you Big Cousin 💔

Paul Curtis was my very close cousin. Whenever I would see Paul he would walk in the room and say "What's up cuz??" I loved him so much! Always had a smile and hug to share!! Such a tender-loving heart! I never knew how many lives Paul touched until I was at his funeral! I'll never forget the way him and his mom laughed together! I know she will forever miss her "Booters."

And I know he loved Papa Curt so very much!!

RIP cuz <3

You are forever in my heart

Love,

Evanne (your cuz)
