“ Tom and I send our Condolences to Jim and the family. I have known Peggy for many years now. To my surprise, years ago Peggy called me, and at the time I did not know Peggy but only her Sister Mary and her family. But Peggy told me who she was and she preceded to tell me she would like to take piano lessons. And she laughed and said I hope I'm not to old, I smiled to myself and said your never to old to fulfill your dream. We talked for along time and from that moment we began a friendship! Peggy did take piano lessons from me for quite sometime. I think we enjoyed each other's company as much as she enjoyed learning to play the piano. I learned that Peggy was a great person, meek, loved life and her God. She was truly a great Lady. I am proud to have known her. She would say to her loved ones left behind. Get ready and come meet me in Heaven! May you Rest In Peace Peggy. And I'll see you again 😊
