“ *So heartbreaking to hear, she was my aunt in marriage and my dad (Bazle Richardson) would take me to their house when I was younger to play cards with all of them. She was a lovely person, unable to attend due to sickness in my house and doctor appts. today, but she will remain always in my heart and mind <3*

“ Reatha has been my personal friend since the early 70's- my Ex husband Alan Houser was friend's with Jack-from school. When she worked at Harvest-she was talking about Linda & just shut her line down & went outside & took a break-with me. I knew Linda because i had worked with David Firlle. She just told me what happened when Linda died & just bawled. I lost a 22 yr old Son- so I could relate. i do not know how any1 could have hurt Reatha-like they did over Linda's death. The person that hurt her so bad-just passed away a couple of week's ago. Karma duz return. I am SURE Reatha is rejoicing in Heaven-with JB & Linda & her other family member's--no more worry-just everlasting happiness. She was just a wonderful person. Jack- I am very sorry for Your loss- haven't seen You in yr's-just try n take care. To the Firlle grandson's---I saw u guy's as little kid's- Hope Your Dad is fine-we worked at Allegheny many year's/tell him Hi for me~~~~~take care & Know how much You were & are loved by Your family~~~~Reatha was a Child of God & he promise's Heaven to people like her. I will miss seeing her around!
