

The Rev. Dr. Clark E. Hobby

July 11, 1929 - April 21, 2017

The Rev. Dr. Clark E. Hobby, 87, entered the Church Triumphant April 21, 2017, at Ball Memorial Hospital following a week stay under the expert and compassionate care of the physicians and nurses.

Born in McKeesport, PA, Pastor Hobby was an orphan, having lost both parents by age six. In 1936, he entered the Milton Hershey School (orphanage) founded by the chocolate magnate, Milton S. Hershey; the school became “home” for the next eleven years. After graduation from the Hershey School, he entered the United States Air Force.

While stationed at Chanute Air Force Base, Rantoul, Illinois, he met and married Betty Keith, the organist at the nearby Lutheran church. After completing correspondence work through Candler Theological Seminary/Emory University at age twenty-six, his discernment led him to the “Calling” to become an ordained minister. With a wife, three children, and no funds for education, he enrolled at the University of Illinois. By God’s grace and blessed with a devoted spouse, he completed his Bachelor of Science degree in three and a half years, while working forty hours a week to support the family. Later, he completed a Master of Divinity from Christian Theological Seminary, Indianapolis, and did graduate work at the Lutheran School of Theology, Chicago. He earned his Doctor of Ministry degree at United Theological Seminary in 1979.

Enthusiastic about shepherding God's people, Pastor Hobby served the following congregations in a full-time capacity: Chapel Hill United Methodist, Indianapolis, IN, from 1962-66; Peace Lutheran, Connersville, IN, from 1966-70; Grace Lutheran, Columbia City, IN, from 1970-77; Holy Trinity Lutheran, New Castle, IN, from 1977-83 and again from 1993-2000; and St. Mark Lutheran, Auburn, IN, from 1983-93. Several of the congregations he served bestowed on him emeritus status. In his retirement, Pastor Hobby assisted numerous congregations, including a lengthy tenure as interim pastor with Germantown Lutheran Church, Pershing, IN.

In the larger church he served on a number of committees, including chairing the Lutheran "team," which for a number of years was involved in dialogue with the Methodist's "team" in the state of Indiana. He also served as Regional Coordinator for the introduction of the hymnal, Lutheran Book of Worship. He was a Director on the Board at Wittenberg University for over 30 years. He also served on various community boards, including being President of the Ministerial Association (ecumenical) in each of the communities he served as pastor; the DeKalb - Tri -County Mental Health Board; and the Henry County Counseling Center Board. He also volunteered as hospital chaplain in two different communities.

Following his full-time work in the church, Pastor Hobby turned his focus to another passion: writing. In addition to a number of small articles, he wrote and published four books: *The Homeboy* (2000), *Seasons of Blessing* (2003), *The Shepherdess* (2005), and *From the Pastor's Desk* (2015).

Pastor Hobby received numerous honors and citations during his career. Among them, he was selected as the 1972 Alumnus of the Year at the Milton Hershey School in Hershey, Pa.; he was given honorary membership in the Wittenberg University Alumni Association in 1992; and, in 1999, Wittenberg

University conferred on him an honorary Doctor of Divinity at its commencement.

Survivors include a sister: Audrey (Richard) Trent of Wilmington, DE; four children and their spouses: Janet (James) Perry of Connersville; Ronald (Renee) Hobby of Noblesville; Linda (Roger) Huntley of New Castle; Robert (Jennifer) Hobby of Fort Wayne; ten grandchildren: Steven Hobby of LaPorte; Jennifer (Jeff) Giesting of Fishers; James Hobby of Indianapolis; Christopher Huntley of New Castle; Curtis (Ashley) Huntley of New Castle; Amy (Glenn) Arndt of Connersville; Kevin (Michelle) Perry of Connersville; Hannah, Lydia, and Elizabeth Hobby of Fort Wayne; two stepgrandsons: Chad (Anne) Salyer of Fishers; and Brad (Angi) Salyer of Noblesville; fifteen great grandchildren: Regan and Mitchell Giesting of Fishers; Caroline and Adam Arndt of Connersville; Haylee, Alivia, Myleigh, and Willow Perry of Connersville; Montana and Emma Hobby of LaPorte; Jordan Huntley, stationed in Las Vegas; Bryce and Rylan Huntley of New Castle; Dakota and Isabella Huntley of New Castle; and one four-legged companion, Angel.

He was preceded in death by his parents Andrew and Frances Hobby; by six siblings; and by his beloved wife of 54 years, Betty.

Calling will take place on Saturday, April 29th at Sproles Family Funeral Home, 2400 S. Memorial Dr., New Castle, IN, from 3:00-7:00 p.m. and on Sunday, April 30th at First Christian Church, 2000 Bundy Ave., New Castle, IN, from 3:30-4:30 p.m.

A Festival Service of Eternal Life will be Sunday at 5:00 p.m. at First Christian Church. The Rev. Dr. William Gafkjen, Bishop of the Indiana Kentucky Synod of the ELCA will preach. The service will be preceded by special choral and instrumental pre-service music at 4:30 p.m., directed by Pastor Hobby's son,

Robert.

A brief prayer service will be Monday, May 1, at 9:00 a.m. at Holy Trinity Lutheran Church, 535 S 14th St., New Castle, IN with burial following at South Mound Cemetery West Lawn Addition where Military Honors will be conducted by contingents from the U.S. Air Force and the Henry County Honor Guard.

In lieu of flowers, the family is requesting memorial gifts in Pastor Hobby's name be directed to Wittenberg University to be used for scholarships for pre-seminary students. Donations may be directed to Wittenberg University Office of Advancement, PO Box 720, Springfield, OH 45501, with envelopes available at the funeral home.

You may send the family a personal condolence at www.sprolesfamilycares.com.

The Sproles family and staff are honored to serve the family of The Rev. Dr. Clark E. Hobby.

“ *To the entire family of The Rev. Dr. Clark E. Hobby,
Our heartfelt sympathy for your family . There just aren't enough words to express how much he meant to us. He was the officiant at our wedding, baptized our grandchildren and gave us endless encouragement . Our most recent visit with him will remain our cherished memory. He will forever be in our hearts! The peace of the Lord surround you now.
With love ,

“ *I was one of the "younger boys" at the same farm home (Willow Wood) as Clark. He was a caring and polite young man at that time, always had a positive attitude. I recall he and his brother Albert were good role models for the other boys at HIS (at that time the Hershey Industrial School). It is comforting to know he was an inspiration to so many people in his adult life and had the benefits of a loving family after he graduated from the orphanage at Hershey.*

Is there a man who cared more deeply?
Is there a man who lived more fully?
Is there a man who loved more freely?
Is there a man who worshiped more reverently?
Is there a man who died more peacefully?*

*Perhaps. Perhaps a few others "as much."
None, however, "more."*

“ We are so honored to have known this wonderful man. He was such a caring, loving person and we will always remember him. I remember the time when my mother was having a procedure done at Reid Hospital in Richmond and Pastor Hobby was there with us. Before the procedure he was saying a prayer for Mom when the Notre Dame fight song started playing on his phone, but he just kept on praying! We will always remember that with a smile! We are also grateful for the services that he did for my father, Bob Woodward, and my little nephew, Charley Breeden. Lots of good memories you will have to hold dear at this time and always. Our thoughts and prayers are with you all!

“ I will always be grateful for Rev. Dr. Hobby. He baptized and was my late mother Margaret's favorite spiritual advisor. He delivered her funeral sermon and was a blessing to my grieving sister Becky and me. He passed on during the day of the 4th anniversary of Becky's passing. May God bless and comfort your family.

“ Clark met Betty when he was at Chanute Air Force Base in Rantoul, IL. My father, Pastor Nelson was minister at the American Lutheran Church where Clark was choir director for the church. I use to play with Clark and Betty when I was young. In 1998 to 2012, my husband Walt and I were houseparents at Milton Hershey School. When Clark and Betty came to MHS for Homecoming, we reconnected with the two of them and had them to our student home. That happened two different homecomings. We found we still had many things in common. Clark accomplished so many things. My father and mother kept track of Clark and Betty through the years and visited whenever it was possible. Our sincere sympathy to your family. Walt and Leah Nelson Haussmann

“ *My thoughts and prayers are with each member of the Rev Dr Clark's family at this sad time. It has been my honor and great pleasure to know Clark as a fellow Christian and thru our mutual love and respect for Mr and Mrs Hershey. And for the thousands of members of the Milton Hershey School family that were impacted by their lives.*

Clark exemplified all that Mr/Mrs Hershey hoped for when they established their school and home for kids that needed a break. He lived a life of service to others, while supporting his large and wonderful family and giving back to his community. His passing leaves a huge hole in our hearts and in our MHS Family. But his life, like that of Mr Hershey himself, will serve as an inspiration for those of us that follow along behind.

“ Truly sorry to hear of Pastor Hobby's passing, but feel blessed in the faith of the kingdom he has entered.

Having grown up in Holy Trinity Lutheran Church, he's basically the only pastor I really remember, only faint memories of his predecessor. I have pictures of him with my father (Steve Bond), my grandfather (Gerald Bond) and others from the church when ground was broke on the 1979 addition to the church. I remember when my father and grandfather and I went to the same stone quarry in Kentucky that produced the stone for the church, to haul stone back for that addition. I remember going through catechism and being confirmed in the church with him.

While I sometimes differed in opinion with him, I have had a steadfast respect for him. He exuded a graceful presence that just drew out your respect. I'll always appreciate, admire and respect that. There aren't many people that we encounter in our lives that have that quality.

I'm sure of God's blessing on his soul and I pray for his family and closest friends during this time.

“ I was so saddened by the passing of Pastor Hobby. I worked in the office for several years at Holy Trinity in New Castle. Every morning we shared a prayer together the first thing when he came in. He was so special to me and was also one of best friends. We have kept in touch all these many years. I live out of state now and not sure I will be able to come to New Castle for the services but my prayers are definitely with his family. His patience and his wisdom will never go away from my memories. I am so thankful that for that short time he was a part of my life.

“ I will always have such great memories of Pastor Hobby. He was a friend and loved one of our family for many, many years. I have memories of visiting Betty and him at their home when I was a child. A handshake with Pastor Hobby was never his way of greeting friends...he would instead give a big hug! He had the most compassionate and caring heart and would do anything to help anyone however he could...one of the most caring people I have known in my life. He was a very talented musician at the piano and organ. I remember he came to visit my parents in Lexington not too many years back, and he was learning the violin. He took it out of its case and played a simple tune for us (I cannot remember what the tune was now), but I remember the huge smile across his face when he finished. He was so content and proud to be learning another instrument. He gave me autographed copies of two of his books...*The Homeboy and Seasons of Blessing*, valuable additions to my library. It was always a pleasure seeing Pastor Hobby when our family got to see him on one of his visits to us or our visits to him. He was a dear friend to our family, and I will always enjoy the memories I have with him and the Hobby family. May God's love and comfort console the entire Hobby family at this time.
