“ I’m so sorry to hear this news. Rick was one of our hardest working and loyal team members for many years. What a great person he was. He could fix anything and never backed down from a challenge. He can now have his chats with Nancy as he did in her office up in heaven now Prayers to the family. Jerry Martin.

“ Rick was always there to help us. Sherry family (Reno) and Ricks family grew up together. That’s how I met Rick. It didn’t matter if I was sitting at the side of the road with car trouble or a big tree fell in the back yard. He always came to help. He was such a kind, generous man and this world will miss him.
