So sorry to here about Rick. A great guy. I have known the Ring family since I was a young kid bowling at the Candle lite. I liked Rick. He would go out of his way to help someone. We had similar backgrounds. I was past president of the bakery local union in the Indianapolis area. He will be missed by many! In Sympathy, Joe Greer

“ I am so sorry for your loss. Unfortunately, I will not be able to attend the celebration of life. I am in Houston where my wife is receiving cancer treatment. I graduated with Rick at Royerton. I knew Rick for almost 70 years. I am proud to have been his friend. He took care of my rentals properties when I was out of town. We spent some quality time together during the past 20 years. I really enjoyed talking with Rick. He was always eager to help in any way he could. I know he loved his family above all else. He shared family stories of the good times. He was a proud dad. Hopefully, the fond memories you have of Rick will bring a feeling of peace during this difficult time. We will greatly miss him. Chuck Childers
