“ Riley, Your in a much better place now, you dont feel no more pain, no more sorrow, nothing. But Shenandoah has never been this quiet without you, You brought life, joy, and a smile on everybodys face. Since your gone all the joy has been sucked away, theres nothing no more. I just hope that there is something I can do for you. Because i dont want to see nobodys parents upset like yours. its hard! No matter what i do to help this community im going to do it for you, and im going to fight til i win. Riley we had some good times together im never going to forget any of the memories and the love we once shared. I Love You, and I Miss You. Always&Forever, Kyra Kimmerling
