“ Sandy and I were coworkers and friends at the Anderson Vocational Rehabilitation Office for several years. She was very proud of her children and especially of her grandchildren. She was one of the kindest people I have met. She helped many, many people in her life.

“ Drew, Kelly, Andrea, Andy, Ryan & Brittany. Our thoughts & prayers are with you all. We're happy to have had the opportunity to spend time with your Mom when she came to Jersey. The trip to Valley Forge gave us insight as to the passion she had for history. She impressed & educated us by her knowledge that day. We will always think of her with kindness when we use the afghan she made for us. Love. Dave (dad) & Wanda

“ I did not have the opportunity to spend much time with Sandy, but the few times I did were very special. She always seemed happy to see me and had fond memories of seeing me grow up over the years. She had a kind heart and it showed. My thoughts and prayers are with my cousins during this time. I love you Ryan, Drew, and Andrea.
