“ I did not know Shirley well. The only interaction I had with her was when my husband and I went to BGINC with our daughter. She introduced us to two of her dear friends. These dear friends were Shirley and Ruby. To help me remember their names she would say; " Connie's mom Is surely goodness and mercy. Ruby is more precious than rubies; and all the things thou canst desire are not to be compared unto her.' As a mom it is a comfort to have her around precious saints that share the values we have tried to instill in her. I know she misses both these dear ladies. We are praying for everyone feeling their loss. I thank the Lord that one day we will all be reunited if we stay true to God.

“ Connie, I didn't get to know your mom for very long but loved getting to greet her at church. She was always Connie's mom to me but I know she was so many other things to many people. What a blessing to the school and church!

“ *So sorry to hear of your mom's passing. Aunt Shirley was a wonderful lady. I loved her simple, loving, childlike faith in Jesus. Since childhood, I was always amazed with her delicious homemade pies. I always appreciated her love and prayers for me and my family (especially for my dad, brother Bobby). May you feel God's peace and presence at this difficult time. Love Jonathan Green and family.*

“ *Sister Shirley was a kind, sweet, loving lady who was always quick to pray when she saw a need, always looked for ways to brighten someone's dreary day, and seemed to know just what to say when someone needed an encouraging word.*

One of my favorite memories of her was how she let me help put her scarf on after church. She knew I wanted to help and waited for me to do the honors. I often told her as I was placing her scarf on her head that "I was putting her crown on." And that was just what I felt. Other people may not have seen her crown, but I sure did. She will always hold a special place in my heart. She was a true friend and cherished Christian witness in my life.

“ I was making Shirley’s sugar cookies the other day and was remembering how much we loved her cookies and pies. She was a great baker. We hadn’t seen her in years but she has always been very near to my heart. Connie, you very were lucky to have had a special mom like Shirley. I’m sure your whole family will miss her so much. Love and prayers, Sonnie & Betty Lehman

“ Aunt Shirley was a gem. When Marcia and I were married and on our honeymoon, she knew we had very little finances. So she offered to move out of her home for several days on Catawba Island for us to have a beautiful memory! She even asked us "What pie do you each like?" and proceeded to make us a Chocolate pie and a Coconut Cream pie for our stay! We will miss this sweet and gracious lady, but we know for certain she celebrates with the angels in the presence of the Lord! Mark and Marcia Green, Owosso, MI
