“ I knew Steve most of my life. I lived in Mt. Summit in grade school and shot hoops with Steve all the time even tho I was a few years younger. We played in basketball leagues against each other for years. We also worked together at the shop for over 35 years. He was a great guy and was always nice to me. I will miss him. My thoughts and prayers go to his family. A good athlete who took the time to teach me early in my basketball life.
