

Tad Alan McBride

September 22, 1959 - March 30, 2020

On Monday, March 30, 2020, Tad Alan McBride, loving husband, father and grandfather, passed away unexpectedly of an apparent heart attack at age 60.

Tad was born on Sept. 22, 1959, in Marlette, Michigan, to Dennis and Pauline McBride. He graduated from Tri Jr. - Sr. High School in 1977. He worked for his family's commercial construction business, McBride Corporation, based in Lewisville, Ind., eventually becoming CEO. He also founded several companies, including Tad McBride Sauces, his line of artisanal sauces.

On Nov. 4, 1979, he married Connie Chew; they recently celebrated their 40th anniversary. They raised two children, Aimee and Daniel.

For years, Tad served as a high-school Sunday School teacher and board member at South Memorial Drive Church of God in New Castle. In 2006, they moved to North Carolina to operate Locust Springs Christian Retreat Center, but they returned to Indiana in 2018.

A devout, generous and hardworking man, Tad offered his time and talents to many friends, family and community members—taking photos, cooking meals or digging ditches, often for no charge. He was also known for helping people stranded with flat tires.

Tad delighted in cooking elaborate breakfasts, including his famous waffles and omelets. He loved to take long walks outdoors and play with his grandchildren. Tad was known for his deep kindness, warm hugs, lovable smile, encouragement and the ability to see the good in everyone he met.

He was preceded in death by his father, Dennis, brother Terry and daughter Naomi. He is survived by his wife Connie; daughter Aimee (husband Jeff) Morgan; grandchildren Dominic and Elena; son Daniel (wife Beth); grandchildren Samuel and Jane; mother Pauline; sister Kim Blair; brother Arlen (wife Susan); mother- and father-in-law Ivan and

Janet Chew, as well as many cousins, nieces and nephews.

A graveside service will be held privately, however the family will host a public memorial service at a later date.

“ We loved Tad McBride and are so grateful that the huge number of people on this earth that his life touched, included us and our family! Tad exemplified the servant heart of Christ in so many ways. He loved his family and friends and we knew it was genuine.

His warm smile and laugh could light up a room. We cherish so many memories over the years with church family, but none were more special than those shared at Locus Springs Retreat center. His cooking stands out because it was Always more than any human could hold....no one hungry around Tad! The Hillbilly slide he created made fun memories and laughter for countless campers for years. Tad, our hearts are breaking but we take comfort in the hope of heaven to see you again for a big reunion together with the Lord. Meanwhile, we will continue to love on Connie and your precious family.

*Our love and prayers,

“ My precious little brother's passing is breaking all of our hearts. Tad was always the one NOT involved in any conflict when we were growing up. He was always there to help, encourage, support, pray, see the best in absolutely everyone, and to always remember to thank the Lord for everything. Literally countless people have been helped by my brother, and, in most cases, in big, lasting ways. I miss him terribly, but I know he loved the Lord and is with his and Connie' s sweet daughter, Naomi this very moment. I praise God he was as saved as saved can get and will always be proud to be his sister. My heart goes out to Connie, Aimee and Daniel and the grandchildren during this unbelievably difficult time. Love, Kim

“ My memory of Tad is that he was always loving, kind and encouraging. To this day, I will tell someone “That’s a Tad joke!” He always had jokes that were corny but funny. Great sense of humor to go along with a great loving heart. Rob Upchurch will miss this fine man.

“ So sorry to hear of Tad's death. They lived in the house my Great Grandfather built in the late 1800's. I had the honor making him, his sister, Mother & sister-in -law each a memory quilt when they lost their father & Terry. I truly felt their spirits when making them & knew they could feel them too when wrapping it around them. Although I didn't know Tad personally I feel as though I did. God bless his loved ones.
