

## Terry Lee Goforth

October 7, 1949 - November 21, 2025

Terry Lee Goforth, 76, of New Castle, passed away peacefully on the evening of Friday, November 21, 2025, at the Richard L. Roudebush VA Medical Center in Indianapolis, following a brief illness.

Born on October 7, 1949, in Winchester, Indiana, Terry was the beloved son of the late Margaret Goforth.

A 1969 graduate of Winchester High School, Terry didn't waste a moment stepping into adulthood—he entered the United States Navy just two days after graduation. He served his country proudly, later continuing his commitment through more than 20 years in the Naval Reserve.

Terry built a long and steady career at Anchor Hocking Glassware in Winchester, where he worked as a supervisor for over 32 years, retiring in 2010. Outside of work, he enjoyed life's simple pleasures—cooking meals for those he loved, collecting lighthouses, and traveling whenever he could.

Those who knew Terry will remember him most for his fun-loving spirit. He was a jokester through and through, someone whose quick wit and unpredictable humor kept those around him laughing and on their toes. Beneath the humor was a deeply family-oriented man, warm-hearted and devoted to the people he held close.

Terry was a proud member of V.F.W. Post #1282 and took great pride in the friendships and camaraderie he found there.

Those left to cherish his memory include his husband, Donald E. Baney; a son, Clinton Stuart; his sister, Rose (Tim) Brandenburg of Winchester; his brother, Bobby (Brenda) Goforth of Winchester; and several nieces and nephews.

A memorial service will be held at 2:00 p.m. on Saturday, December 6, 2025, at Sproles Family Funeral Home, with military honors provided by contingents from the U.S. Navy and the American Legion. Friends may visit from 1:00 p.m. until the time of service.

Terry Goforth and Donald E. Baney are one of the best reasons myself and my husband got married I appreciate them so much in the loving memory of Terry Goforth I would like to say Terry Goforth did above any other person and help the needs of other however we as great family and friends need to honor him and Donald, and Clinton and the rest of the family and also friends because the ones that actually stood by their sides throughout the grief in the understanding of his last moments and time with us., one thing I can tell is Terry would tell you until everyone to not bicker and fight over any thing be there for one another but also respect the wishes of him and his family and friends that he leaves behind.

“ Terry was a feisty, wonderful guy. He married one of my best friends. I remember dinners and card games with the four of us. I hope he and Brian are enjoying a card game and a few laughs. Rest easy my dear friend until we meet again. I hope that his memory is a blessing to all. That which is remembered lives... Pamela

“ *As sad as this is to see the passing of my brother in law . I want to show my memories of a man not only related but a man whom volunteered at a local food pantry giving back to his community and I myself was once in need for the help and he not only helped me threw but he helped me to my car and made sure everything was perfect . A man whom loved my brother threw it all and a man whom helped my father all the time. Never putting himself first ... much love*
