“ I remember Tom as a young girl and young woman. He was always nice and funny and told me stories about himself, my dad Waymon and our Barlow family. These stories usually involved my dads crutch and the respect he had for him.

Joella, TJ and Jan, I am sorry for your loss and as Jan has said " my dad has gone on his next journey". This journey includes a life of peace and no more pain and suffering. I love you all. God Bless!
