“ *Dear Vickie & Family,
I was so sorry to hear about Tim's passing. Although I do not know you, Viickie or Tim, very well, it made me sad to know that such a nice man would no longer be with us - especially at church. I always enjoyed attending late church when I did because Tim was so good at getting the services off to a wonderful start. I especially enjoyed his voice because my hearing is not so good any more and I could always hear him quite well. I know God was speaking thru Tim. I am sorry I could not come to the Funeral home to pay my respects but I didn't think my leg would hold me long enough. And I have to work tomorrow so will be unable to attend his funeral service either. I send you my love as you go thru this sad time. You will be in my thoughts and prayers.
Sincerely, Martha Riddle*

“ I remember Tim very well. He was a talented student. So sorry he had to go so soon in life. It sounds like he did very well and enjoyed life. I will always remember him. I am presently living in Florida so will not be able to visit the family. However, I wish the family a lot of sympathy tor having to go through this when Tim was so young.

“ I remember many elders' meetings with Tim. We would go over the names of people in the congregation in need of prayers for serious health issues. Tim would never mention himself, even though he faced many super serious health issues himself. He never complained about them. He never seemed stressed out about them. He just lived his faith, and prayed for other peoples' needs.

And then later he would crack a joke.

I loved that about him.

“ *Cousin Tim, we got together a lot as kids when my mother brought us over to visit. Later, you and I both served on ships home ported in Norfolk, VA. There, we spent time together with both our families sharing dinner and playing cards. I remember thinking how great it was to have a family member so close by during those years. Your loss is stunning, but I hope you have found comfort and peace having been reunited with your Mom and Dad. Thank you for your service to this great country of ours and Godspeed Shipmate.*
