A smile that could light up the day,
Her love and guidance always on display.
Each memory with her is a treasure,
A bond that time could never measure,
Her spirit lives on in every heart,
A love that death could never part.
Though she may be gone from sight

“ *Tina and I knew each other a short while but in that short time she would call me or have my dad call me to meet her at the front door of the apartment building and help her into her apartment. We'd sit and talk quite a bit. She was such a good kind hearted person. I'll miss our talks and being able to help her.*
