“ Christopher you will always be in my heart,soul and mind forever. I have so many found memories of you in one of the happiest times of my life. You were one of the brightest stars in my sky. One of the bravest people I have known. I watched you grow through some of the most painful things a young child should have to go through. You were so brave and courageous. I need only look into the night sky and find a bright star to know you are with me. Love, Chris 🥹

“ *My thoughts and prayers are with you even tho that isn't very comforting at this time. There is no way I can imagine what you are feeling since I have never been thru this. May God bless you and Todd and the rest of your family. Only time can help you heal (even tho you will never forget). Della*
