“ wow i don't have all the right words to say how much i love you. my favorite memory you were at my house laying in my lap and I was talking to you & you looked at me and as hard as you could tried to make noise come out to talk back to me melted my heart.. I always took you from your mommy as soon as i seen her with you and held you close and just buried my nose in your hair and smelled the sweet scent of my baby boy. I can go on all day about the wonderful 5 weeks we got with you wish it would have been more but God needed you.. i will always love you..

There are no words we can say but want you to know that we are lifting your names to the Father often and will continue in the days and months ahead as you are brought to our minds. Prayers for the long hours ahead. Glad you have the lovely sunset memory to hold as a gift from God. Let God hold you during this time.
