“ *I still remember the first time I met Tom... at the bus stop in Spiceland... I think I was in the 7th grade (so maybe around 1972 or so). We started talking that morning and became friends. Over the years, as people do, we grew up and went our ways out into the world but I will always have fond memories of my old friend Tom and that day we met on a foggy school morning many many years ago.*

May you awaken in the arms of God my friend.

“ *My Cousin was so cool, I thought (he was 8 yrs older and played the guitar). Didn't get to visit often but always treasured the times we did.*
