Thank you Lesley! My dad loved your dad and missed him so much. Like you I am believing they are in heaven much happier, free from pain and up to their antics! Love and hugs to your mom. I have fond memories as a young child being with your family. Connie

“ My memories of Uncle Verl go back to when our family would visit once a year from Pennsylvania. Always enjoyed the weekly vacation yet seemed we'd just get to know our relatives again then have to leave. I remember playing at the farm, watching football and having a good time playing with Sam and Connie. Uncle Verl was always a good uncle to be around. I hope and pray for the comfort of your family at this time.
