“ David was a life-long friend of my father, Gary Arthur. I know they shared many wonderful times growing up together in New Castle and on into adulthood. My dad passed in 2008 after battling cancer and I know he was waiting for David to come see him; so they could share a laugh, a memory or even a bike ride on the rolling green hills of Heaven. David is happy, healthy and whole again... My deepest sympathies to Nancy and all of David's family.
