“ Dearest Cousin Billy,
My heart is broken that you have left us. I have nothing but good memories: you used to babysit me and my sisters and you always treated us gently and with genuine care. I remember you always sketching beautifully intricate drawings which showed you were truly an artist at heart. I will miss and always remember your gentle and kind spirit. You were one of my "California Cousins", so we had a special bond. You will be missed.
Luv u always
Ronda
