“ *Its Amy, and Toby was my great uncle. I spent a good about of time with Toby and Effie as I followed my grandma around. I got to experience the teasing by Bob the most before Toby grandkids did...lol. Toby, Morlene (my grandma) were down where they are grew up looking around the house that they grew up in. Well we headed back up to the road and I got in the back of Toby car dangling my feet out the door (i was little). Toby yelled to get my feet in the car and shut the door. He said seen and rattle snake under the car coming for my feet. He took a rock and took its head off. He actually even got the rattle for me. I hate that I lost them. My uncle Toby save my life. I it a blessing for Toby and Effie to be in my life. I love them so much and I am sorry for your loss. A man like uncle Toby can never be replaced. I love you Toby!*
